Student Age: _____
Parent: _____
Address: _____

Phone: _____
Email: _____
T-Shirt Size: _____
Which Camp/Club? _____
Volunteer? How? _____
Date of Application: _____

Application Process

Students are selected based on age requirements and interest. We are looking for students who want to learn the science of computer technology.

- Complete the questions on this page including a written paragraph of why interested.
- Schedule a time for an interview.
- Get a letter of recommendation from a teacher or advisor who has worked with the student.
- Complete the interview.

Students selected for the camp will be notified 1 week after reviewing all of the information.

Payment due 1 week before camp starts. Payments can be made in installments.
